

MY HEART'S IN THE WIND

Deborah...I've loved your sining ever since those first notes of "Two For The Road" ... This new CD does not disappoint. The sweet flow of tunes bathes me in a wash of lush, romantic feelings. I love playing it on my chill-out show. Thanks!"

-Mitchell Mendys, WKNH

"It's a truly great album. I've already started many tracks on the aire. The only problem is, there are so MANY really good tracks that it is hard to choose which ones to play. Keep up the excellent work."

- Harold Ellison, The Jazz Café

-Alex Pinen, BRTO Radio
